Monroe Draw 500 EP

Overview

MONROE DRAW 500 EP is a heavy duty neat drawing oil. It has been formulated for use on difficult drawing and blanking operations and has excellent adherence and anti wipe properties. This product is well-suited for fine blanking operations on ferrous and stainless steels. It performs extremely well on both ferrous and nonferrous metals without staining or rusting.

Applications

MONROE DRAW 500 EP may be applied by brushing, dipping, spraying, rolling or other convenient method.

Recommended Concentration

Use MONROE DRAW 500 EP as received. Do Not mix MONROE DRAW 500 EP with water.
